### How are fees charged? When are they due?

Aspen Country Day School uses TADS, a secure online system for families to pay tuition and fees. Families sign in to TADS to check balances, make payments, and to re-enroll in February for the coming academic year. A non-refundable enrollment fee (deposit), which is applied to tuition, is due upon enrollment/re-enrollment. The balance (total of tuition and fees) is due in June. Payment plans (1, 2, or 10 installments) are available.

## How to enroll and pay tuition and fees

### What do we do next?

Watch your email for a message from TADS, a secure online system for enrollment and tuition. TADS is used by ACDS and schools all over the world.

### How do we sign in to enroll?

TADS will email instructions to you via the email address we have on file for your household. **You will need this email and link to set up your account the first time.** Click on the link, which is unique to you. If you don't see the email, try checking your "promotions" or "spam" folders, or contact us at school.

### What is required to enroll?

When you have clicked on the link in the email from TADS, you will see your child(ren)'s names. Click on a name, and you will be guided through a series of screens. You'll check your contact information, then sign an online enrollment agreement. There is an "enrollment fee" (a deposit to hold your place) that you can pay via bank withdrawal or credit card. This deposit is applied to your tuition.

### What's the deadline?

Once you receive the email from TADS, please log in to enroll and pay your deposit **within 10 days**. Demand for spots at ACDS has never been higher, and a delay in completing the online enrollment could result in your space being offered to another applicant.

### When is the remaining balance due?

All tuition and fees (minus the deposit paid at the time of online enrollment) are due in June. For enrollment after June, tuition and fees (or a payment plan) are due at the time of enrollment.

### Are payment plans available?

You have a choice of a one-time payment in June; two installments (June and December); or ten monthly installments (June-March). There are no interest charges; a \$45 set-up fee applies for the ten-installment plan. A fee is charged for payments by credit card.

**If someone other than the parent is responsible for paying the deposit, please contact Director of Admissions Susan Glah at 970-925-1909 x211. Billing questions? please contact the business office at 970-925-1909 x206.**
